

TERMS & CONDITIONS

FOR CONNECTED KIT ON-BOARDING

Please take a moment to read through and acknowledge the information below.

- To launch and take full advantage of the Connected Kit apps and forms, you will need a mobile device (iOS or Android).
- The SIM card and number is randomly assigned and cannot be configured. For your convenience, it will be sent automatically to your door by post.
- All required form fields must be completed, and payment made, before we complete your order for dispatch (via e-mail, usually within 3 business days)
- When making your once-off payment, it is essential to include your SPECIFIC Bank Deposit Reference in the field provided on the form.
- Connected Kit is configured using a variety of digital packages that are used extensively globally. As such, there may be times when certain features are unavailable due to independent network/server maintenance or unforeseen technical issues.
